

FUN-RAISING EVENTS!

BIRTHDAY UN-PRESENTS PARTY

Dedicate your special day to helping others by asking for un-presents — a new “fuzzy buddy” stuffed animal or monetary donations to the Citizen Voice project of your choice — instead of gifts.

LOVING LEMONADE STAND

Put on a lemonade stand (or a bake sale, car wash, talent show or whatever sounds like fun!) to raise money for any of the projects that Citizen Voice conducts.

COINS FOR A CAUSE

Collect those spare coins! Get your classmates, scout troop, sport team or neighbors involved. The total collection can be donated to whatever Citizen Voice activity you want to support.

Or... we know you have creative ideas of your own! Let us know how you want to invest your efforts in Citizen Voice World Change Kids projects and together, we'll make it happen.

WHAT TO DO NEXT...

Once you are registered you can schedule and plan your event.

Visit us at www.CitizenVoice.org to download your very own World Change Kids business cards!

Stay connected with World Change Kids, learn about other kids helping the vulnerable, and find more ways that you can make a difference at www.CitizenVoice.org.

THANK YOU!

We are pleased to have you join our Citizen Voice team as the next World Change Kid!

WHAT IS CITIZEN VOICE ALL ABOUT?

Citizen Voice works to involve citizens in the public arena and protect the vulnerable—the very young, the very old, the disabled, and victims of disaster as well as those without a voice, including animals and the earth. Together, we're inspiring, informing and involving adults and kids in new and dynamic ways on behalf of our neighborhoods, our communities, and our world.

HOW YOU CAN GET INVOLVED

It's easy as 1-2-3 to become a Citizen Voice World Change Kid!

1. To get started, register online at www.CitizenVoice.org. Or you can fill out the registration flap in this brochure, detach and put in the mail.
2. Select one of the Citizen Voice projects that you want to support.
3. Plan your "FUN-raising" event (see reverse side of this brochure for ideas) and then go ahead, make a difference!

KIDS CAN MAKE A DIFFERENCE, TOO

Most of us want to make our world a better place to live. We want to feel the joy of helping someone who really needs it. Citizen Voice encourages responsible citizenship and believes that it's never too early to give kids the chance to make significant contributions to our world. Kids have a hand to lend and a voice to share.

PICK A PROJECT

CITIZEN VOICE WORLD CHANGE KIDS FUZZY BUDDY PROJECT

We provide "buddies" (stuffed animals) for kids who could really use a cuddly friend. For a child who might have just lost their home in a disaster, World Change Kids can help children in tough situations.

CITIZEN VOICE SAFELY OUT™ PROJECT

Having help to get out safely in a disaster is important, especially for the elderly, disabled and families with young children. World Change Kids can provide SAFELY OUT™ Kits for individuals and families, assisting them to be better prepared and ready in case of an emergency evacuation.

CITIZEN VOICE 3RIMS3DAYS TREK

We believe protecting the incredible natural resources in our country, like Yosemite National Park, is vital for future generations. By supporting Citizen Voice's "3RIMS3DAYS: Trek to Protect a National Treasure" World Change Kids can take an active part in looking after our parks, forests and wildlife.
