Re: "Safely Out" Project

Dear Mr. Dietrich:

On behalf of the board of directors of the Sacramento Metro Chamber and our 2,500 member organizations, representing Sacramento, Yolo, El Dorado, Placer, Sutter and Yuba counties, I am writing to extend the Metro Chamber's support for the "Safely Out" program which was approved at our September 6, 2006 board of directors meeting.

This project is a partnership between the Citizen Voice and the Red Cross Sacramento Sierra Chapter to ensure that our most vulnerable citizens including the disabled, seniors and young children are protected in the event of a disaster. The Metro Chamber supports your efforts to gather the resources to get a SAFELY OUT Kit into every household and opportunities to build resources and exposure for the initiative.

If you have any questions, I can be reached at 916-552-6800 Ext. 114.

Sincerely,

Matthew R. Mahood
