

What I'm In! Means for You

Those in the restoration industry are used to being counted on following a natural or man-made disaster. But what about being counted on BEFORE an emergency occurs? Now YOU have the opportunity to help your community prior to an emergency situation by saying **I'm In!** with **SAFELY OUT™**.

Born out of the heartbreak of Katrina, the **Citizen Voice SAFELY OUT™** Project is designed to help a community's most vulnerable citizens evacuate safely in the event of a disaster. A core element of the **SAFELY OUT™** Project is the distribution of emergency evacuation kits, providing easy access to valuable evacuation tools for vulnerable citizens in emergency situations.

SAFELY OUT™ Kits include:

- Door hanger indicating "NEED HELP" or "SAFELY OUT™"
- Refrigerator magnet for essential evacuation contact information
- Storage bag for prescriptions, insurance information, etc.
- "How to" guide and **SAFELY OUT™** helper information forms
- Permanent marker, erasable pen, adhesive strip

Show your community you support **SAFELY OUT™** by saying... **I'm In!**
